

Lucky man! An understanding wife ...and an F-M Riding Mower!

She understands that sometimes it *is* important for him to play golf. Besides, she likes the chance to operate their new Fairbanks-Morse Riding Mower.

You'll find out, too, that mowing can be fun on a Fairbanks-Morse Riding Mower. No work ... no aching muscles ... no overheating. You ride in cushioned comfort on oversized tires and a deep foam rubber seat. There's plenty of leg room, and you steer relaxed.

An easy pull on the recoil starter* and the rugged 2 $\frac{3}{4}$ hp., 4-cycle engine starts quickly and quietly. Drive allows variable forward speeds and a reverse. The 21-inch steel blade smoothly levels all weeds and grass at your choice of heights. And, you cut within a half-inch of walls, walks and flower beds.

This "dream mower" is no dream—it's here! Try its very real performance on your own lawn. Let your wife try it, too!

*Electric starter available at slight additional cost.
